

## Fairy Princess

**Hook:** Daiichi 1530 Size 12-16

**Thread:** 8/0 Fire Orange

**Tail:** Brown Biots

**Wing:** White Biots

**Rib:** Cooper Wire

**Body:** Ice Dub UV Shrimp Pink

**Hackle:** Grizzle Hackle

**Weight:** 1/8 Spirit River Gold B/H

1. Place B/H on the hook and wrap thread to the bend. Using your thread make a small ball to help spread the Biots, when you tie them in.
2. Tie in brown Biots about 1/8 inch over bend of hook.
3. Tie in cooper wire.
4. Dub in Ice Dub making a tapered body with the larger part towards the head.
5. Rib the cooper wire and cut excess wire.
6. Tie in grizzly hackle making 2-3 turns. Pull hackle back and make several wraps behind the bead to hold hackle back.
7. Tie in white Biots, the length of the body, one at a time crossing them as you do them.
8. Whip finish cut off excess Biots and cement.
