

Little Bit

Hook: TMC 100 Size 12

Thread: 8/0 Black

Tail: Rabbit Hair Ginger or Olive

Body: Ostrich Herl Brown, Olive or black

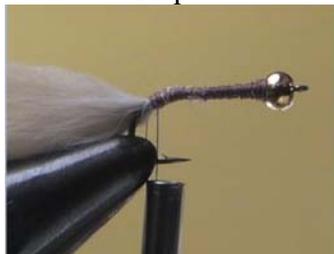

Bead Head: Gold 1/8 Spirit River

1. Put bead onto hook, place hook in vice, and tie in thread from the head back to the bend of the hook and let thread hang.
2. Cut rabbit hair, from 1/8-inch zonker strip, and tie in at the bend of the hook to complete tail.
3. Pull off 3 or 4 strands of ostrich herl and tie in where tail starts. Followed, by wrapping thread up to bead. Then tightly wrap ostrich herl up to bead, tie in with 3 or 4 wraps, and cut off excess.
4. Finish with 2 or 3 half hitches and cement.
5. Go fishing – this is my favorite carp fly, and its works well on smallmouth and bluegill. The olive works best in the spring.
